

Company Presentation 2013

Confidence Redefined.

Texas First Industrial Corp.

TFI, established in 2001 in the State of Texas, is an upstream drilling equipment manufacturer and distributor. TFI supplies everything from individual spare parts and expendables to full rig packages, including individual component equipment such as mud pumps, BOPS, among others. In addition to this, TFI provides a complete line of production equipment for both surface and down hole. TFI also offers the convenience of international locations in the US, Nigeria, China and Colombia. Our US shop completes inspections, services, fabrications, manufacturing, and rig up jobs. Whatever the challenge, TFI stands ready to provide high quality solutions.

- Mud Tanks
- Pump Skids/Unitizations
- Gen-Set Skids
- Oilfield Housing

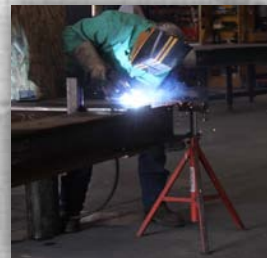

Maintenance & Refurbishments:

- Mud Pumps
- BOPs
- Drawworks
- Traveling Equipment
- Rotary Tables

Main TFI Welding Capacities:

- Portable Welding
- Track Torch
- CNC Torch
- GMAW (Gas Metal Arc)
- SMAW (Shielded Metal Arc)
- SEAW (Submerged Arc)

Inspections and Testing

Inspections:

- Pump Inspections
- BOP Inspections
- Tension Testing
- External/Internal
- Rams/Seal
- Pistons
- D Hardness

Main Tests:

Non-Destructive Testing

- -ND Hardness
- -Liquid Penetration
- -Magnetic Particle
- -Ultrasonic

Pressure Testing

- -Hydrostatic High/Low
- -Hydraulic Operating
- -Shell/Proof

Quality control you can depend on.

Spare Parts and Expendables

\$3,000,000+ USD Parts in Stock All Wearable Spare Parts Kept in Regular Stock.

Parts and Expendables for:

- Swivel
- Block & Hook
- Rotary Table

Pump Parts and Expendables for:

- BH-800II & III
- ZB 400II & 500
- F Series 500-1600

- Rig Parts
- Handling Tools
- Ram Assembly
- Seal Kits
- Packing Elements
- Ram Rubber

TFI's Competitive Edge

Sound Market Reputation:

- Over 500 Mud Pumps Sold in the N/S America
- Dozens of Complete Rig Packages Sold
- Over 300 BOP Stacks Sold
- Over 250 Traveling Components Sold in the US
- Unparallel Customer Satisfaction Index Rate

Fast Ship Out & Lead Time:

- Strong ties with international shipping companies such as Maersk among others
- Complete range of replacement parts is available in our distribution facility at Brookshire, TX
- Complete range of standard components available in our distribution facility at Brookshire, TX
